WARD, Norma

My name is Norma Ward, I am married to Rex and was born and bred in Wiluna. I have served on the Wiluna Shire Council on and off for many years during the 1980's, 1990's, 2000's and as recently as the last four years (2015-2019). I have the whole of the Wiluna Shire at heart being both the town and pastoral areas and feel I could benefit Wiluna to grow and become even more prosperous in the future. I see tourism, improved roads and facilities as being very important to our future.
